Summary

Enthusiastic problem-solver and detail-oriented web developer with 5+ years of experience creating and implementing innovative web designs and user experiences. Understanding of SEO optimization and accessibility to maximize site performance. Proficient in HTML, CSS, JavaScript, React.js and responsive design. Adept at collaborating with cross-functional teams to drive project success. The excitement of learning and the ability to apply newfound knowledge efficiently are aspects of my professional approach that I find particularly fulfilling.

Hard Skills

Languages: HTML, CSS, SASS, SCSS, Twig, JavaScript
Web Technologies: React, Bootstrap, Tailwind css, node.js
Tools: Git, Gulp, Webpack, npm
Design: Adobe Photoshop, Figma, Adobe InDesign
CMS: Wordpress, Drupal, TerminalFour

Soft Skills

Team Collaboration, Problem Solving, Communication, Attention to Detail, Creativity, Curiosity and Continuous Learning
